Subject: [External] Atlantic Coast pipeline

Good Morning, Ms. Owen,

I have been unable to get through to Governor Cooper on the phone. The line seems to have been overloaded yesterday and again today.

My concern is the Atlantic Coast Pipeline. To make this note brief, suffice it to say, I am against the construction of this pipeline. The people of North Carolina in the path of this pipeline will not be well served.

I hope that you and Governor Cooper will also be against the construction of this pipeline.

In appreciation,
Jean Larson
